

Solidarity and Care during the COVID-19 Pandemic

Informed Consent form for Contributors

1. Taking part in the study

- I have read and understood the study information sheet dated April 2020, or it has been read to me. I have been able to ask questions about the study and my questions have been answered to my satisfaction.
- I consent voluntarily to be a participant in this study and understand that I can refuse to answer questions and I can withdraw from the study at any time, without having to give a reason.
- I understand that taking part in the study involves filling out the submission form and uploading my contribution, or sending a URL link (for audio and video).
- I understand that my submission to Solidarity and Care during the COVID-19 pandemic will be stored in the project's research archive and considered for publication by the Sociological Review media platform.

2. Use of the information in the study

- I understand that personal information collected about me that can identify me, such as my name or where I live, will not be shared beyond the study team.
- I understand that information I provide will be used for the research archive and also may be published on the Sociological Review media platform.
- For submissions that are published on the Sociological Review media platform, I understand that I will have the option to be acknowledged/credited by name, if I wish to be.
- For photographic/video submissions, I confirm that I have made reasonable efforts to gain consent from all identifiable parties for their image to be used in this context. I confirm that I am the copyright owner, or otherwise able to confer rights in this respect.

3. Future use and reuse of the information by others

- I give permission for my submission to Solidarity and Care during the COVID-19 pandemic to be stored in the research archive, and deposited in an Open Data Archive following the completion of the project so it can be used for future research and learning.

4. Signatures

I confirm that I have freely agreed to participate in the project *Solidarity and Care During the COVID-19 Pandemic*. I have seen the Information Sheet related to the research project and I agree to the use of the findings as described above. I understand that the material is protected by a code of professional ethics.

- Please tick this box and type your name below to confirm to your consent.

5. Study contact details for further information

For further information about the project please get in touch with the project team solidarityandcare@thesociologicalreview.com.
